---

**Purpose:**

Preparation of five EGMs for FY 07: (1) National Flood Insurance Program Operating Costs, (2) Unit Day Values for Recreation, (3) Federal Discount Rate, (4) Water Supply and Hydropower Interest Rates, and (5) Current Normalized Prices.

These values are updated each fiscal year and provided to the MSCs and field operating offices. This enables the Corps offices to develop plans and data in accordance with the current various interest rates and operating costs.
